PUPPY RESERVATION FORM

We will add your name to our waiting list only if we have a \$100 deposit on a puppy. Make check or money order payable to John or MaryAnn Smucker and send to us at the address above.

Once puppies are born, we will notify you, and you can choose your puppy or choose to wait on another litter. Once you choose your puppy, you would be required to place an additional \$200 to reserve it, and the rest of payment would be due once you pick up your puppy or if the puppy is being shipped, payment is due prior to shipping. The date your deposit is received determines your order of pick. This deposit is refundable only if we cannot supply you with a puppy and if you checked (b) "refund my deposit" in the space below. Please be aware that we do not manufacture puppies and therefore cannot guarantee a puppy delivery by a specific date.

Please fill in the following spaces, sign and mail to us along with your \$100 deposit.
